

Purpose of the Meeting

The purpose of today's meeting is to gather input concerning the project's two alternatives.

The two project alternatives being considered are Alternative B (build alternative) and a "no build" alternative.

Several displays illustrating Alternative B (build alternative), the project's purpose, location, and history, the environmental evaluation process, and property impacts are available for review. Project staff is on hand to answer questions and provide information.

Please provide us with your comments on the alternatives. Comment forms are provided, please fill one out and leave it with our staff.

Thank You.
